

Expression of Interest Application Form (Email Submission)

Introduction

Thank you for your interest in appointment to the Science and Innovation Ministerial Advisory Council (the Council).

This form provides an alternative application pathway for applicants who prefer to submit an Expression of Interest by email rather than through the online application form. Information provided will be used to assess applicants against the skills, experience, perspectives and stakeholder representation required to support Queensland's science and innovation ecosystem and the implementation of the Queensland Science and Innovation Strategy.

Applicants should review the Council's draft Terms of Reference before applying.

How to apply

Please submit:

1. This completed Expression of Interest form.
2. A current curriculum vitae (maximum two pages) highlighting experience relevant to the Council.

Email your application to: **SandISecretariat@detsi.qld.gov.au**

Subject line: **SIMAC Expression of Interest - [Your Name]**

Mandatory

Before proceeding, please confirm you have read and understood the Council's [draft Terms of Reference](#).

I have read and understood the Council's Terms of Reference

I have read the information provided regarding the Ministerial Science and Innovation Advisory Council;

I consent to the use of my personal information for the purposes of assessing my suitability for appointment to the Council.

Applicant Name	
Date	

Why we request your personal information:

The Department of the Environment, Tourism, Science and Innovation (DETSI) is collecting your name and contact details to assess your expression of interest for Council membership.

Your submission will inform the team to assess appropriate council membership.

This information will be used as part of the selection of Council members.

All personal information gathered by DETSI is treated in accordance with the *Information Privacy Act 2009*. For further details view the [DETSI privacy policy](#).

Your personal information may be disclosed to other agencies, who are assisting DETSI with background checks for the purpose of collating and assessing candidates.
